The predictive value of preoperative natriuretic peptide concentrations in adults undergoing surgery: a systematic review and meta-analysis

Lurati Buse GA, Koller MT, Burkhart C, Seeberger MD, Filipovic M

Record Status
This is a systematic review that meets the criteria for inclusion on DARE.

Bibliographic details

PubMedID
21372274

DOI
10.1213/ANE.0b013e31820f286f

Original Paper URL
