Diagnostic accuracy using diffusion tensor imaging in the diagnosis of ALS: a meta-analysis
Foerster BR, Dwamena BA, Petrou M, Carlos RC, Callaghan BC, Pomper MG

Record Status
This is a systematic review that meets the criteria for inclusion on DARE.

Bibliographic details

DOI
10.1016/j.acra.2012.04.012

Original Paper URL
http://www.academicradiology.org/article/S1076-6332(12)00232-2/abstract

Indexing Status
Subject indexing assigned by CRD

MeSH
Amyotrophic Lateral Sclerosis; Humans; Diffusion Tensor Imaging

AccessionNumber
12012040733

Date bibliographic record published
18/10/2012
