

Search Strategy

Two independent reviewers will search for retracted articles since 2004 at PUBMED, Web of Science, BVS and Google Scholar databases using indexed keyword from MeSH and DeCS for Portuguese, English or Spanish publications. Data was also collected from an independent website that report retracted papers worldwide (www.retractionwatch.com) using a filter for Brazil.

Pubmed:

("Retraction of publication"[All Fields] OR "retraction of publication as topic"[All Fields] OR "retracted publication"[All Fields]) NOT (retraction[All Fields] AND ("dentistry"[MeSH Terms] OR "dentistry"[All Fields])) AND (("2004/01/01"[PDAT] : "2017/07/09"[PDAT]) AND "humans"[MeSH Terms])

Web of Science

("retracted article" OR "retracted of publication" OR retracted OR "retraction of" OR "retracted of" OR "retraction notice") NOT "retraction dentistry")

Refinado por: Tipos de documento: (RETRACTED PUBLICATION) AND **Países/Territórios:** (BRAZIL)

Tempo estipulado: 2004-2017.

BVS LILACS

("artigo retratado" OR "retratação de publicação" OR "nota de retratação") AND (instance:"regional") AND (db:("LILACS") AND year_cluster:("2005" OR "2013" OR "2014" OR "2007" OR "2012" OR "2004" OR "2006" OR "2008" OR "2009" OR "2017")

BVS BDEnf

("artigo retratado" OR "retratação de publicação" OR "nota de retratação") AND (instance:"regional") AND (db:("BDEFNF")

Google Acadêmico

("retraction of publication" OR "retraction of publication as topic" OR "retracted publication")

Filtros: período: 2004-2017
