Value of serum procalcitonin levels in predicting spontaneous bacterial peritonitis

Record Status
This is a systematic review that meets the criteria for inclusion on DARE.

Bibliographic details

PubMedID
23159389

DOI
10.5754/hge12645

Indexing Status
Subject indexing assigned by NLM

MeSH
Bacterial Infections /blood /microbiology; Biomarkers /blood; Calcitonin /blood; Humans; Liver Cirrhosis /complications; Peritonitis /blood /microbiology; Predictive Value of Tests; Protein Precursors /blood; Sensitivity and Specificity

AccessionNumber
12013043572

Date bibliographic record published
30/08/2013
