Compendia for coverage of off-label uses of drugs and biologics in an anticancer chemotherapeutic regimen

Record Status
This is a bibliographic record of a published health technology assessment from a member of INAHTA. No evaluation of the quality of this assessment has been made for the HTA database.

Citation

Authors' objectives
The topic of this assessment is the evaluation of drug compendia for the purpose of informing the Centers for Medicare & Medicaid Services (CMS) on decisions about coverage of off-label uses of drugs and biologics in anticancer treatment.
