## Percutaneous mitral valve repair

---

### Record Status

This is a bibliographic record of a published health technology assessment. No evaluation of the quality of this assessment has been made for the HTA database.

### Citation

Percutaneous mitral valve repair. Lansdale: HAYES, Inc.. Directory Publication. 2014

### Authors' conclusions

The MitraClip Mitral Valve Repair System (Abbott Vascular Inc.) and the Carillon Mitral Contour System (Cardiac Dimensions Inc.) are minimally invasive devices for repair of a damaged or leaking mitral valve in the heart. The goal of these procedures is to restore normal mitral valve function without need for open heart surgery.
